DECLASSIFIED 11/11/52

financial damage to the V. D. Physicians, we have asked the State to charge each vial of antibiotic with 200 Drachmae with which to indemnify those that were hurt.

"The State recognizing the agreeing - in principle - with the request, maintains that it is the American Mission that does not permit it. We would like, therefore, to beg you to take the necessary steps for the favorable solution of the matter.

Respectfully yours,

The President
